Extendable Clamp Stand

for iPad®

PAD-ECS

High quality alloy metal stand. Mounts to most tables, counters, desks and other edged surfaces

Perfect for the living room, bedroom or meeting room

360° rotating holder to easily adjust iPad and tablets to any orientation

Tabletop Stand Attachment Included

Easily integrate your tablet into your home or office space and adjust it to any viewing angle, orientation or position you may desire with CTA Digital's Extendable Clamp Stand for iPad. Perfect for the living room, bedroom or meeting room; the adjustable clamp mounts to most tables, counters, desks and other edged surfaces so you can easily set it up anywhere and comfortably enjoy apps or videos on your tablet. Made of strong alloy metal and featuring a fully extended reach of 31 inches with pivoting joints that stop and lock in position and a 25" retractable boom-like tube, this stand offers sturdy support and multi-directional adjustment. The holder is designed to securely fit the iPad (2nd to 4th generation) as well as most other 9.7-10.1 inch tablets. Conveniently switch from horizontal to vertical views with the 360° rotating holder. A bonus back-stand attachment is included so you can use the iPad holder by itself as a freestanding tabletop stand without the clamp mount. So enjoy placing your tablet in the perfect spot with the Extendable Clamp Stand for iPad from CTA Digital.

Features Include:
- Retractable 25" metal boom tube with 31" fully extended reach
- Adjustable clamp easily mounts to desks, tables & other edges
